

# Yacht Interiors and Outfitting

Wight Shipyard Co is a leading ship and yacht builder and outfitter located on Britain's Isle of Wight.

Wight Shipyard Co (WSC) started life in 2010 as Shemara Refit LLP, born out of a unique project to manage the revival of a magnificent motor yacht to her former glory. Since then the business has grown exponentially and in 2016 was restyled as Wight Shipyard Co sealing its future under a clear and recognisable identity.

With first class managerial, design and technical expertise WSC has recorded exceptional success, delivering high performance cutting edge projects.

Since inception WSC have been privileged to work on some cutting edge and bespoke projects.
